

PREFERRED TRAIL BUILDERS

Purpose: To recognize outstanding Trail Builders who align with VMBA's values and mission.

VMBA's Preferred Trail Builders

VMBA leverages the power of our members to identify the best trail builders in Vermont. We do this by considering the following criteria. Know someone who should be included? Send their information along to chris@vmba.org!

Preferred Trail Builders Criteria:

- Have at least five years of experience building quality trails in Vermont
- Understand modern trail building goals and standards
- Have a history building trails for all levels of rider
- Have a history of integrating trails and features with the natural landscape
- Have a history of positive community relations
- Understand the calendar of trail building in Vermont (including applications, planning, permits, budgeting, etc)
