Going the extra mile...

Welcome to the 2020 riding season! The Vermont MTB tribe is stoked for another phenomenal season in the hills. The tickets to the left have been generously provided by select Vermont downhill resorts. These resorts offer spectacular lift-access mountain biking throughout the summer and fall. They also go the extra mile by contributing directly to the trail building and maintenance in their own neighborhoods and throughout Vermont.

By helping to build and maintain the trails that we all enjoy, these resorts are investing in the health of our communities and the vibrancy of our local economies. When we ride with these partners, explore Vermont's trail networks, and check out new towns, everyone benefits.

So enjoy the day! Redeem one of these DH tickets, enjoy the day riding, eat at one of VMBA's Member Benefit restaurants, cool down in a river, and reflect on everything that came together to make it all possible.

On behalf of our Downhill Partners, VMBA Chapters and the Home Office Staff, we'd like to wish you your best riding season ever!
