

4. Do you currently have a 501(c)3 status? If so, do you understand that VMBA's insurance, per insurance company requirements, will not extend to your organization, landowners, or board of directors?

5. Is your group affiliated with any other organizations? If so, please explain how your work with the other organization(s) would work if you become a VMBA Chapter?

6. Does your group understand and agree that VMBA's administrative platform is for mountain bikers and mountain biking trails exclusively? What other types of trail use does your group promote?

7. The office and Chapters work towards shared success and interconnectivity for the riding community. Is your entire board genuinely interested in the value that other Chapters bring your potential chapter? Are you willing to routinely make investments of time, expertise sharing and grant decision making with other Chapters?
