VMBA's hub and spoke Chapter model is one of a kind and has help foster a diverse array of riding experiences throughout Vermont.

VMBA stewards an administrative platform that every Chapter uses including membership, insurance, payroll, member benefits, event support/promotion, and more.

CHAPTERS are located in all corners of our state. They represent the very best of riding in Vermont through trail building, events, private landowner relations, and trail planning.

ADVOCACY is the cornerstone of our work for access to riding and lifting up the value of trail building volunteerism. VMBA serves as the voice in Montpelier for Vermont riders, Chapters, and private landowners who host trails.

DIVERSITY, EQUITY, & INCLUSION (DEI) VMBA is committed to making Vermont's mountain biking community more welcoming and inclusive, a goal we pursue through a dedicated DEI Coordinator and Committee.
