## 2022 Network Closure Dates for Hunting Season

In an effort to help riders be aware of closed networks/trails to hunting season in Vermont. For a full list of dates for the Hunting and Trapping Seasons, visit VT Fish & Wildlife Department's [website](#). Please note, this is a working document and may not be comprehensive of all closures. Remember to check with the local [Chapter](#) if they are not listed here before you ride.

As always, please remember to wear orange whenever you are out on the trails during hunting season - thank you!
